Dear Kevin and Beta Alpha Tau,

The American Red Cross would like to thank you for your continued efforts involving blood drives. Your leadership, guidance, and education of fellow potential donors is second to none. This is evident each drive that you hold with the American Red Cross where you convince your peers that giving blood is the right thing to do. This, of course, allows us to potentially save lives within our community. I know that with your help and network of potential donors each drive that we partner will grow larger. The American Red Cross is grateful to be able to count on your support whenever needed, and the potential impact you bring to saving lives throughout the Cleveland area. Speaking on behalf of the people needing the lifesaving resource you provide, we thank you.

Sincerely,

Douglas E. Mekinda
